Mr. William N. Morell, Jr.
Director, Research and Reports
Central Intelligence Agency
Washington, D. C.

Dear Bill:

Many thanks for your draft reply to the questions raised in Embassy Cairo Airgram No. 1029. Officers in the various Bureaus have spoken highly of it. The only change we made before sending the material on to the Embassy was to elaborate on the exportation of UAR crude oil.

I attach a copy of the outgoing airgram in case you have not seen it.

Sincerely yours,

Allan
